Dr. Mildred Rowley 4480 G Highway 101 Florence, OR 97439

Dear Dr. Rowley,

Thank you for your visit to the Transit Advisory Committee meeting of February 18, 2015. As requested, the Florence Transit Advisory Committee has discussed the addition of a Rhody Express stop at your location at 4480 Highway 101.

While we wholeheartedly agree that this stop would be a worthwhile addition to the route, we are unable to add it at this time. Unfortunately, because of the timing of this request following the recent changes to the route, the addition of the stop would increase route times and require further restructuring of the bus route. These changes are out of the scope of the Rhody Express budget for the near future. In addition, the bus cannot stop on Highway 101 because of safety concerns.

Please accept our apologies and a statement of our commitment to work towards a possible future inclusion of 4480 Highway 101 on the bus route.

Best Regards,
