PUBLIC HEARING PROCEDURE

The Planning Commission must make its decision based on facts. Prior to the hearing, staff will identify the applicable substantive criteria which have also been listed in the staff report. These are the criteria the Planning Commission must use in making its decision. All testimony and evidence must be directed toward these criteria or other criteria in the Plan or Land Use Regulations which you believe applies to the decision per ORS 197.763 (5). Failure to raise an issue accompanied by statements or evidence sufficient to afford the Planning Commission and parties involved an opportunity to respond to the issue may preclude an appeal based on that issue. Prior to the conclusion of the initial evidentiary hearing, any participant may request more time to present additional evidence, arguments or testimony regarding the application.

- A. Open Hearing
 - *Planning Commissioners declare any conflicts of interest, bias, ex-parte contacts and site visits.*
 - *Public may challenge a Commissioner's impartiality in making the decision.*
- B. Staff Report
- C. Applicant's Presentation
- D. Testimony

The Planning Commission will hear testimony from those in favor of the proposal, those against the proposal, and those that are neutral but have a comment. Copies of written testimony submitted for the hearing have been distributed to the Planning Commission. When you go to the table to testify, sign in (please write legibly) and state your name. If someone has made statements with which you agree, please come forward, sign in and just state that you agree with those comments. You do not need to restate the previous comments.
