

PROCLAMATION

Office of the Mayor, City of Florence

Building Safety Month May 2020

Whereas, our City of Florence, in the County of Lane, in the State of Oregon, is committed to recognizing that our growth and strength depends on the safety and economic value of the homes, buildings and infrastructure that serve our citizens, both in everyday life and in times of natural disaster, and;

Whereas, our confidence in the structural integrity of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry—who work year-round to ensure the safe construction of buildings, and;

Whereas, “Safer Buildings, Safer Communities, Safer World,” the theme for Building Safety Month 2020, encourages all Americans to raise awareness about the importance of safe and resilient construction; fire prevention; disaster mitigation, and new technologies in the construction industry. Building Safety Month 2020 encourages appropriate steps everyone can take to ensure the safety of our built environment, and recognizes that the implementation of safety codes by local and state agencies has saved lives and protected homes and businesses, and;

Whereas, each year, in observance of Building Safety Month, Americans are asked to consider the commitment to improve building safety and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus and federal agencies in protecting lives and property.

NOW, THEREFORE, I, Joe Henry, Mayor, of the City of Florence, Oregon, do hereby proclaim the month of May 2020 as Building Safety Month in the City of Florence, and encourage citizens to join in this observance.

Joe Henry, Mayor
