April 8, 2020

To the Florence Business Community,

The City of Florence is working hard to support our local business community, while also maintaining the City's commitment to public health, safety, and essential services. Our economic development staff has been coordinating with our local and regional partners to develop inventive ways to help our businesses during this unprecedented time. Please do not hesitate to reach out to them with questions or concerns at any point.

To keep in contact with our businesses, our economic development staff is distributing "The Florence Four," a weekly newsletter that will cover four resources available to businesses during the COVID-19 Public Health Crisis. Please subscribe to this newsletter at: <https://mailchi.mp/ci.florence.or.us/florencefour>.

Florence's small businesses are the backbone of our economic success. We will continue to stand with them throughout this uncertain time, both during the crisis and as we eventually enter the recovery phase. Stay safe, stay healthy, and may God bless the entire Florence community and those fighting this fight on the front lines near and far.

Thank you,

Mayor Joe Henry
