Investment in Arts and Culture is Essential

"Art plays a critical role in enriching our lives, and it's important that we give the artists in our communities the support they need to keep delivering their crafts and bringing communities together," said Senator Merkley. I will continue to advocate for the investments we need to have a successful and thriving arts industry and community across the nation."

"The arts play an essential role in our communities, bringing people together and feeding the mind and soul," Senator Wyden said. "Oregon is home to incredible organizations that support artists and allow more people to enjoy their work. These investments are much-deserved, and I'll keep fighting to help the art industry unlock its full potential."

Relation to City Work Plan

Vision: Oregon's Premier Coastal Community!

Mission: The mission of the City of Florence is to meet community expectations for municipal services, provide a vision for civic improvements, maintain a quality environment and position Florence to have an economically viable and sustainable future.

Motto: A City in Motion

City Council Goals. Providing a foundation for the City's Work Plan are five goals that City Council reaffirmed in early 2023. These goals build off the successful work of the past and address the pressing issues currently facing our city.

- **City Service Delivery.** Sustain and improve the delivery of cost effective and efficient services, including public safety to the citizens of Florence and our visitors.
- **Livability and Quality of Life.** Sustain and improve the City's livability and quality of life for Florence residents and visitors.
- **Economic Development.** Sustain and improve the City's economic development program and efforts towards enhancing the Florence economy, including housing, business development, and increasing living wage jobs.
- **Communication and Trust.** Sustain and improve the City's communication program and strengthen citizen trust.
- **Financial & Organizational Sustainability.** Sustain and improve the City's financial position, city-wide policies, and the infrastructure networks to support City needs.
