

John A. Griffin

Mission Statement

Pickleball is a healthy, invigorating game for all ages which improves and maintains fitness. My goal is to share this sport with Florence residents, providing a year-round activity for all skill levels and ages. It is my goal to expand the facilities in Florence to include indoor courts as well as outdoor, and eventually host community and United States Pickleball Association sanctioned tournaments.

Education

1972 Graduate of East Bakersfield High School; Four years Varsity Tennis
