

**CITY OF FLORENCE
RESOLUTION NO. 32, SERIES 2021**

A Resolution Authorizing the City of Florence, Oregon to Enter into a Single Source Purchase Agreement in the Amount of \$32,096 with Day Wireless to Provide and Install Two Remote Dispatch Consoles at Siuslaw Valley Fire and Rescue.

RECITALS:

1. That the existing dispatch consoles have reached end of life and are no longer working; and
2. That Criminal Justice Information Systems (CJIS) requires that the City have a backup center in case of catastrophic failure; and
3. That Day Wireless provides radio and dispatch services to the Justice Center; and
4. That choosing a different solution and/or vendor is not in the City's best interest.

Based on these findings,

THE CITY COUNCIL OF THE CITY OF FLORENCE RESOLVES AS FOLLOWS:

1. The City Manager is authorized to proceed and enter into the Purchase Agreement between Day Wireless and the City of Florence, Oregon in the amount of \$32,096 for the purchase and installation of two VxRail Compute Nodes.
2. This Resolution shall become effective immediately upon adoption.

ADOPTION:

This Resolution is passed and adopted on the 23rd day of August, 2021.

Joe Henry, Mayor

Attest:

Lindsey White, City Recorder
