

**CITY OF FLORENCE  
RESOLUTION NO. 33, SERIES 2021**

**A Resolution Authorizing the City of Florence, Oregon to Enter into a Single Source Purchase Agreement in the Amount of \$54,412 with Dell to Provide and Install Two VxRail Compute Nodes.**

RECITALS:

1. That the existing Network Operating Center is approaching maximum storage capacity; and
2. That the risk of losing a material amount of data should the Network fail is escalating; and
3. That the current Network Operating Center utilizes Dell VxRail Nodes; and
4. That integration of a different product would be costly and not in the City's best interest.

Based on these findings,

THE CITY COUNCIL OF THE CITY OF FLORENCE RESOLVES AS FOLLOWS:

1. The City Manager is authorized to proceed and enter into the Purchase Agreement between Dell and the City of Florence, Oregon in the amount of \$54,412 for the purchase and installation of two VxRail Compute Nodes.
2. This Resolution shall become effective immediately upon adoption.

ADOPTION:

This Resolution is passed and adopted on the 23<sup>rd</sup> day of August, 2021.
