

**CITY OF FLORENCE  
RESOLUTION NO. 10, SERIES 2022**

**A RESOLUTION AUTHORIZING THE CITY OF FLORENCE, OREGON TO ENTER INTO A SINGLE SOURCE PURCHASE AGREEMENT IN THE AMOUNT OF \$41,075 WITH SCHNEIDER WATER SERVICES TO REHABILITATE WELLS 1 AND 13.**

**RECITALS:**

1. That the Public Works Department has researched and determined the need to rehabilitate groundwater wells 1 and 13.
2. That Public Works has utilized impulse generation technology in the past with great success in rehabilitating production wells.
3. That Schneider Water Services has the equipment and expertise necessary to complete the project and is the only Oregon company providing this unique service.
4. That funding is available in FY2021-22 Biennium Adopted Budget from the Water Capital Outlay fund.
5. Specifically, funding for this project is from the well rehabilitation program.

Based on these findings,

**THE CITY COUNCIL OF THE CITY OF FLORENCE RESOLVES AS FOLLOWS:**

1. The City Manager or designee is authorized to proceed and enter into the Purchase Agreement between Schneider Water Services and the City of Florence, Oregon in the amount of \$41,075 for rehabilitation of production wells 1 and 13.
2. This Resolution shall become effective immediately upon adoption.

**ADOPTION:**

This Resolution is passed and adopted on the 21<sup>st</sup> day of March, 2022.
