CITY OF FLORENCE RESOLUTION NO. 36, SERIES 2022

A RESOLUTION REVISING BUILDING PERMITS FEES AND ESTABLISHMENT OF NEW FEES, RESCINDING RESOLUTION NO. 6 SERIES 2007

RECITALS:

- Oregon Revised Statute and Oregon Administrative Rules allows jurisdictions to recover costs associated with building permit program management and operations by charging fees associated with providing these services.
- 2. The review of plans and inspection of construction related to building plans is a legitimate public service to protect health, safety, and welfare.
- 3. Resolution No. 29 Series 2005 was approved establishing new methodology and setting fees for the issuance of building permits and related services and Resolution No. 6 Series 2007 was approved updating the building fee categories.
- 4. Updates in state statutes and rules require revised methodology of some fees, removing others and adding new service types such as renewable energy.
- 5. The fee amounts set in Resolution No. 29 Series 2005 have not increased since their establishment and thus do not collect the costs of providing building permit program management and operations services.

Based on these findings,

THE CITY COUNCIL OF THE CITY OF FLORENCE RESOLVES AS FOLLOWS:

- 1. The City approves Resolution 36, Series 2022 increasing all building permit fees, revising methodology of certain fees, establishing new fees, and removing others as set forth in Exhibit A, attached to and made part of Resolution No. 36, Series 2022.
- 2. This Resolution takes effect January 1, 2023.
