

RESOLUTION NO. 21, SERIES 2023

A RESOLUTION GOVERNING RATES FOR SOLID WASTE SERVICES AND REPEALING RESOLUTION NO. 13, SERIES 2023

The City Council of the City of Florence hereby resolves to amend the solid waste collection service fee table for residential customers:

Section 1.

A. The following are fees for applicants and licenses for solid waste services:

Nonrefundable application fee	\$350.00
Nonrefundable reapplication fee	\$80.00

Provided reapplication was made within one month of expiration date of the original application and the cause requiring reapplication was no fault of the applicant.

The license fee shall be calculated as follows:

Five percent of the gross receipts (excluding Lane County disposal fees collected for drop box service) collected each year by the licensee from its operations in the provision of solid waste collection and management services.

- B. The license fee shall be paid quarterly, within thirty days of the end of each quarter; (quarters are July 1 - September 30, October 1 - December 31, January 1 - March 31, and April 1 - June 30). Licensee shall provide support for the calculation of the license fee amount due from a qualified consultant within thirty days of request by the City. If the quarterly payment is not paid within 30 days of the due date, license revocation proceedings (re: FCC 9-4-7-1) will be initiated by the City Manager. Such proceedings may be discontinued only when the licensee pays the unpaid amount.
- C. The City may inspect the financial records of a licensee or the licensee's agents or assigns at all reasonable times for any purpose relevant to the performance or enforcement of the licensee. The City may require an audit of a licensee's financial records to determine compliance with the payment of the licensee fee pursuant to this section, or if there is a public need therefor.

Section 2.

A. Rates are listed in attached *Schedule 2, 2023 to FCC 9-4 Solid Waste Management*. Changes include:

- Removal of the rates for "21 gallon" and "30-32-Gallon" customer provided container/can from Schedule 1, 2023 Table I-A and Table I-C.
- All other rates remain as adopted under Resolution 13, 2023.
- This new rate schedule will take effect November 14, 2023 in accordance with Florence City Code Title 9 Chapter 4 Section 5-2-C.

- B. The rates are designed to permit the licensee to ultimately collect the cost of service + 10%. Due to the purchase of Central Coast Disposal by County Transfer and Recycling in the Fall of 2022 and CTR's work at merging customers, routes, and business practices moving locations, and selling equipment the regularly scheduled base year review due to commence November 1, 2023 will be postponed until November 1, 2024. Neither an interim or base year review shall be performed this year.

Section 3.

Rates shall be increased annually on July 1st of each year by 80.6% of the Consumer Price Index published by the Bureau of Labor. The following Consumer Price Index categories shall be used: CPI-W U.S. City Average. The changes shall be made by resolution and are not subject to public hearing.

Section 4.

All contractual arrangements for solid waste services within city limits must be submitted by the hauler to the city for its review of compliance with city code and resolutions. The contracts shall include the number of dwellings and/or businesses served, types and frequency of service, and cost of service. The city's review must be completed within 30 days of receipt.

Section 5.

The recycling surcharge is temporary and to be reviewed with a base year review or with a hauler submitted request for rate review in accordance with Title 9 Chapter 4 with any changes effective 30 days from the date of review and approval.

This Resolution is passed and adopted on the 16th day of October, 2023.
