

**CITY OF FLORENCE  
RESOLUTION NO. 20, SERIES 2015**

**A RESOLUTION AUTHORIZING THE CITY OF FLORENCE, OREGON TO ENTER INTO A SINGLE SOURCE AGREEMENT WITH REBUILD-IT SERVICES GROUP IN THE AMOUNT OF \$49,281.00 TO REBUILD A WALKER DRIVE UNIT FOR THE WASTEWATER TREATMENT PLANT CLARIFIER.**

RECITALS:

1. Public Works has researched and determined the need to complete a total rebuild of the Walker Dive unit of the clarifier at the wastewater treatment plant.
2. Rebuild-it Services Group is the only specialized rebuild companies for Walker Drive units in the Pacific Northwest.
3. Funding is available in the FY16 Adopted Budget from the Wastewater capital Outlay fund.

Based on these findings,

THE CITY COUNCIL OF THE CITY OF FLORENCE RESOLVES AS FOLLOWS:

1. The City Manager is authorized to proceed and enter into Purchase Agreement between Rebuild-it Services Group and the City of Florence, Oregon in the amount of \$49,281.00 to remove, rebuild, reassemble, and reinstall the Walker Drive unit for one of the clarifiers at the City wastewater treatment plant.

ADOPTION:

This Resolution is passed and adopted on the 20<sup>th</sup> day of July, 2015.
