

City of Florence Transportation System Plan Update STAC Meeting Memo November 9, 2022

Dear Stakeholder Transportation Advisory Committee members,

The meeting materials for the first STAC meeting were shared electronically only due to the considerable size of the technical memoranda. The documents may be accessed on the project website here: <https://www.projectcomment.com/florencetsp> under the Project Documents tab.

We will be accepting input on the technical memoranda and community input on the goals and transportation concerns through Friday, November 18th, 2022.

Our next STAC meeting is scheduled for Thursday, January, 19, 2022, look for more information to come.

If you have any questions or concerns, please reach out to City of Florence Management Analyst Shirley Gray at Shirley.gray@ci.florence.or.us .

Thank you,

City of Florence Staff
