The applicant declares that he/she is the owner or lessee of the real property adjoining the above described highway and has the lawful authority to apply for this permit. When this application is approved by the Department of Transportation, the applicant is subject to the terms and provisions contained herein and attached hereto; and the terms of Oregon Administrative Rule, Chapter 734, Division 50, which is by this reference made a part of this permit. Copies of the Rule may be obtained from the District Maintenance Supervisor's office.

Issuing of permits under these regulations is not a finding of compliance with the statewide planning goals or the acknowledged comprehensive plan for the area. Permits are issued subject to the approval of city, county or other governmental agencies having either joint supervision over the section of highway or authority to regulate land use by means of zoning and/or building regulations. It shall be the applicant's responsibility to obtain any such approval including, where applicable, local government determination of compliance with the statewide planning goals. (OAR 734-50-055)

SPECIAL PROVISIONS

1 — If the proposed application requires traffic control devices and/or special road construction, the applicant shall provide a copy of this application to the affected local government. The original application must be signed by the local government official.
