Subject: Rescheduling the Hearing Date

Good morning Vanessa,

I got your request for the hearing to be rescheduled due to your conference. It certainly is that time of year. We have a lot of staff doing training over the next few weeks also.

The way this works is we have to open the public hearing and request a continuation to a "date certain". If we do not do this then we have to re-notice the neighbors and re-publish in the paper. This makes extra work for us and there is a fee to the applicant so we would rather open the hearing and continue to avoid this.

So, my question is there is a virtual option. Would like to attend remotely and still have the public hearing next week? If you are enjoying networking opportunities, I understand this may not be ideal.

The next Planning Commission meeting dates are on May 28th and on June 11th. Which of these days would work for you for the continuation?

Thank you,

Clare
