Hello, it's being withdrawn. We are staying with the course of action that Mr. McAllister and I are working on, will probably have to schedule a new meeting soon with the city. David Twombly

Morning Dave,  
Just checking in on the first design review PC 23 30 DR 06 that was continued to May 14<sup>th</sup>. We are not planning on presenting this item, but I wanted to know if this is being withdrawn or if we should tentatively plan on another continuation?  
Thank you,  
**Clare**
