Hanna,

We have to move the garbage receptacle are over from what we had in the original design. When the shed was removed we discovered that it was not paved. The simple solution is to just move over on to the paved surface. That will remove one maybe two parking spaces to the south. The more expensive solution is to remove a curb and pave or concrete that area in.

Hi Bob,

I hope you're doing well! You can find the packet for the upcoming Planning Commission meeting [here](#). Feel free to take a look and if you have any questions I would be happy to discuss with you on Monday. Have a great weekend!

Thanks,

**Hanna Hutcheson (She/Her)**
