

Wendy AND ROXANNE
Re: TAX lot 02300

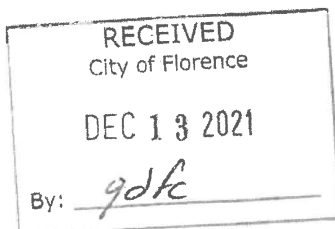

Dec. 11, 2021 8:30 AM Saturday

After getting a call from Jim Hoberg about the staff report I drove over and talked with Robert. I believed he should go back to what the earnest money was about and what he had talked with Wendy on. Five (5) Homes and a commercial building in the front along Hiway 126.

Robert and Marcus called me and said they would do the Five (5) Homes and the Commercial along Hiway 126.

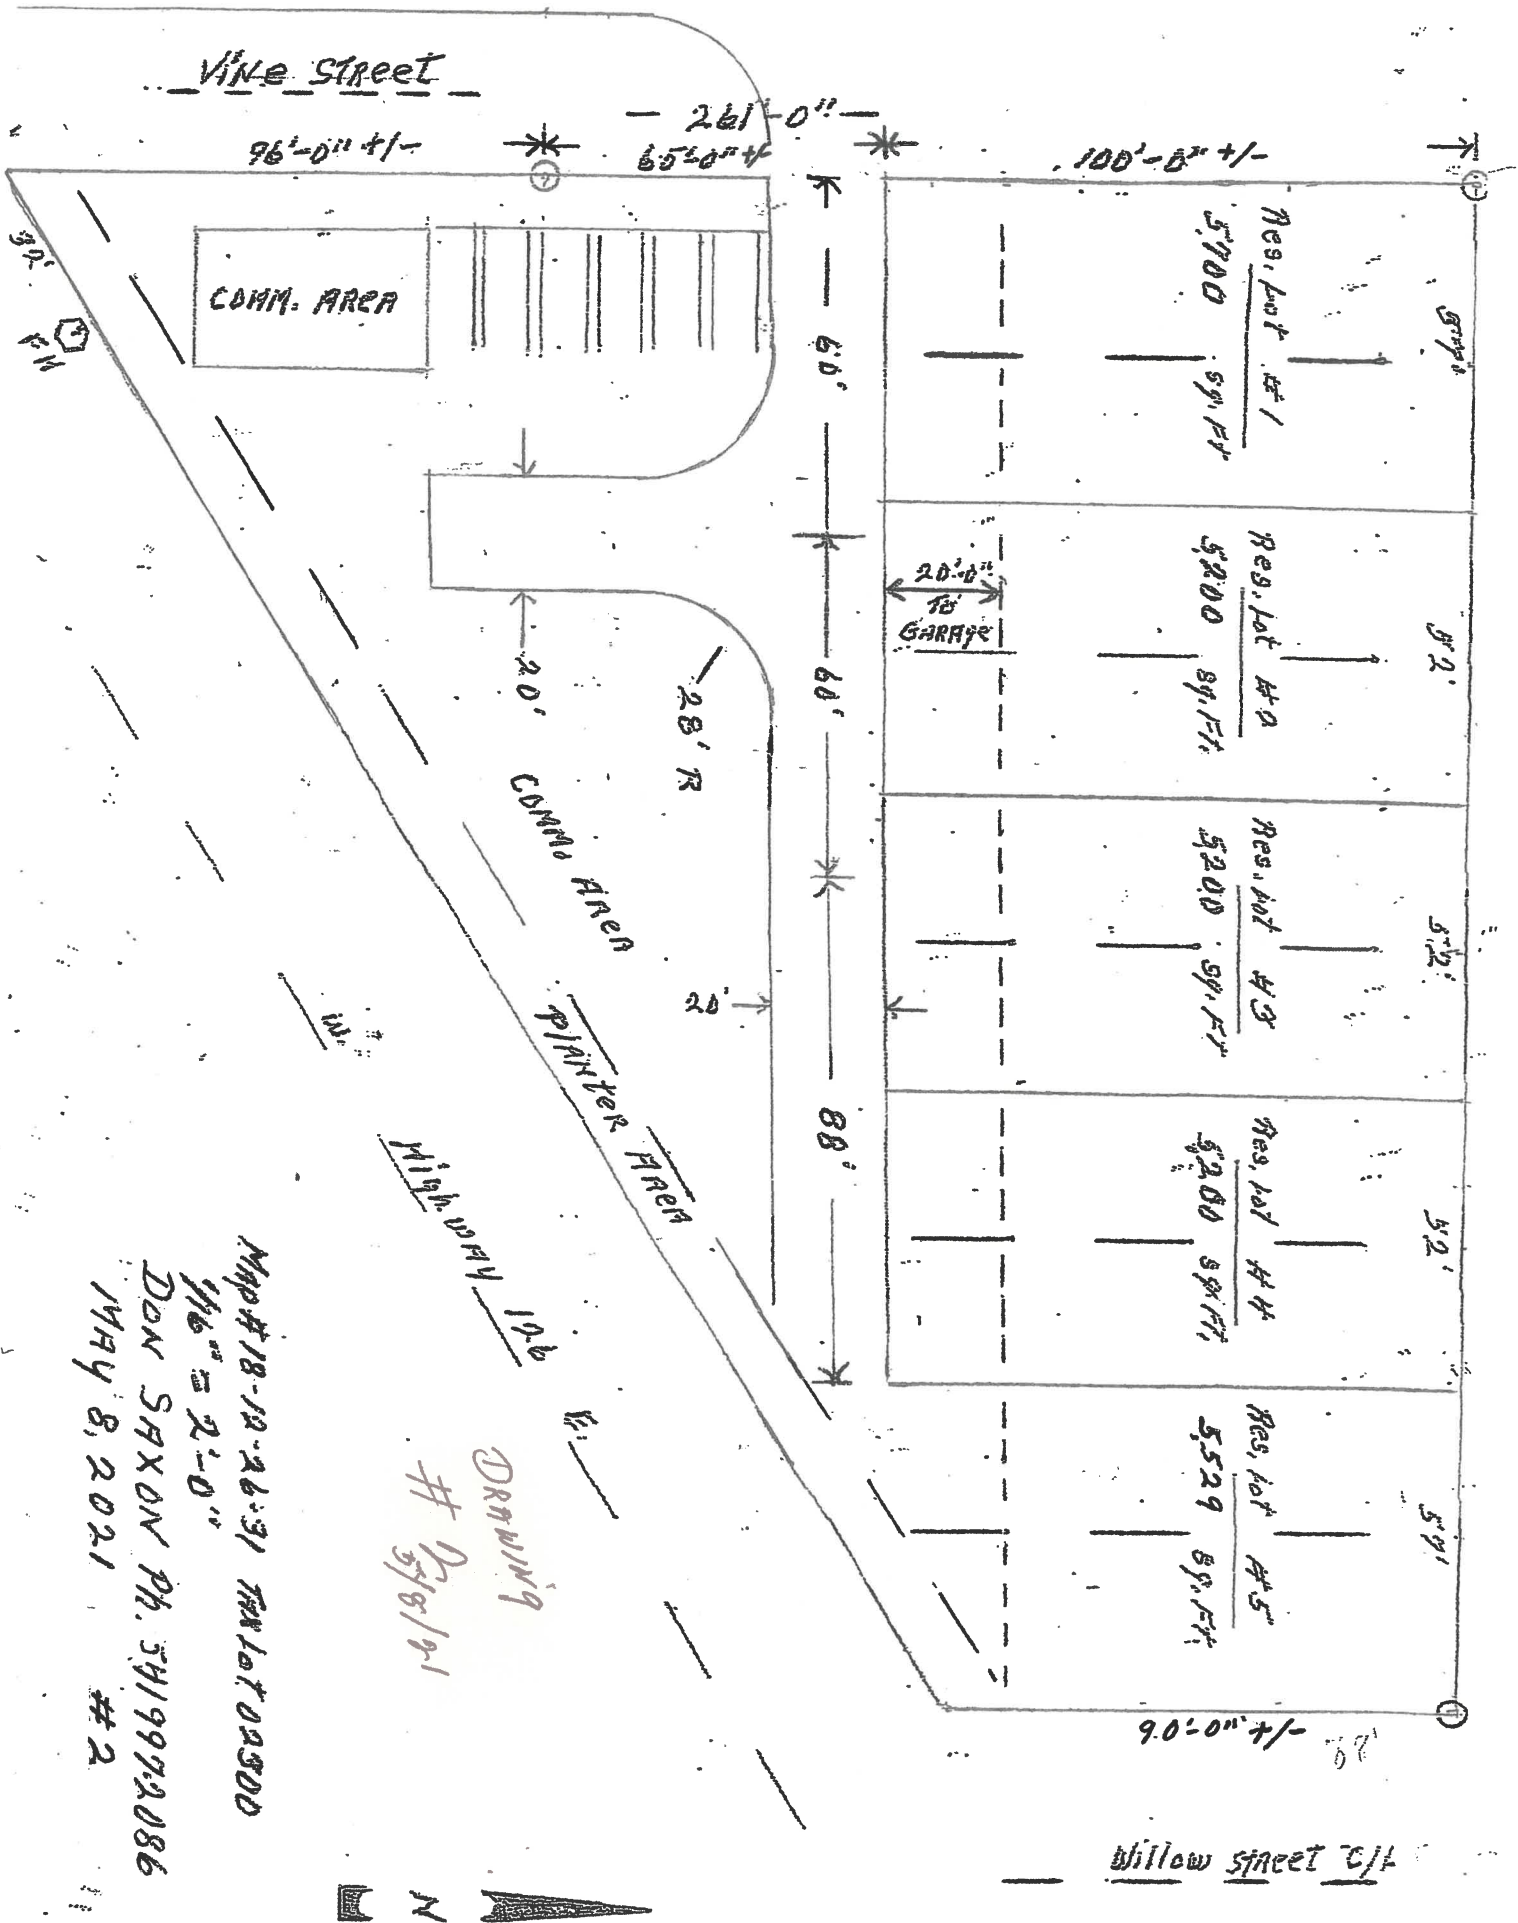

They would go ahead with the purchase of the property if the Planning Commission Approves the concept on Tuesday Night.

THANKING YOU,

Don Saxon
