Experience Florence
Where Everyday is a Celebration of the Arts

The City of Florence Public Art Committee was established in July 2015 in order to serve as the City's primary volunteer committee tasked with actively developing a Public Art Program and Policy for the City of Florence. PAC's mission is to integrate art into the daily life of our community and inspire extraordinary creative expression that will enrich public awareness, enhancing the vitality, economy, and diversity of Florence through the arts. The art will not be limited to the area or its history, but would be at home anywhere in the world, not just on the Oregon Coast.
