Hello Sarah,

This is quite a bit late. I haven't been able to follow the PAC much due to other commitments and recent surgery. I took a look at the materials package and I agree with the choices that others voted for. Those items are pretty unique and are pleasing to the eye. (I didn't care for the Purgatory/China sculpture which was not chosen anyway. It looked more like something from the Game of Thrones TV series.)

If we can afford it, I am in favor of the PAC's recommendation to purchase the Swickard's art.

I'm just chiming in a message of support for what the PAC has done this year.

Regards,

Don Drozdenko
