#### ART WORKS GRANT PROGRAM SUMMARY:

“Art Works” refers to three things: the works of art themselves, the ways art works on audiences, and the fact that art is work for the artists and arts professionals who make up the field. Art works by enhancing the value of individuals and communities, by connecting us to each other and to something greater than ourselves, and by empowering creativity and innovation in our society and economy. The arts exist for beauty itself, but they also are an inexhaustible source of meaning and inspiration. The National Endowment for the Arts (NEA) recognizes these catalytic effects of excellent art, and the key role that arts and design organizations play in revitalizing them.

The NEA wants to achieve the following four objectives through the Art Works category:

- Creation: The creation of art that meets the highest standards of excellence,
- Engagement: Public engagement with diverse and excellent art,
- Learning: Lifelong learning in the arts, and
- Livability: The strengthening of communities through the arts.

Applicants should apply to this program under the appropriate discipline for their proposed project:

• Artist Communities • Arts Education • Dance • Design • Folk & Traditional Arts • Literature • Local Arts Agencies • Media Arts • Museums • Music • Musical Theater • Opera • Presenting & Multidisciplinary Works • Theater • Visual Arts • Creativity Connects Projects

NEXT DEADLINE: Applicants must submit form SF-424 to [grants.gov](http://grants.gov) by July 13, 2017. They then have until July 27, 2017 to submit their remaining application materials via the NEA's Applicant web portal.

ELIGIBILITY: Nonprofit, tax-exempt 501(c)(3), U.S. organizations; units of state or local government; or federally recognized tribal communities or tribes may apply. Applicants may be arts organizations, local arts agencies, arts service organizations, local education agencies (school districts), and other organizations that can help advance the goals of the National Endowment for the Arts.
