Public Art Committee Update

To: Florence Urban Renewal Agency Board

From: Florence Public Art Committee | Chair Harlen Springer & Vice-Chair Susan Tive

Date: February 28th, 2018

The Public Art Committee is continuing to implement its Public Art Workplan. Input from stakeholder groups through public and private meetings and discussions with appropriate governmental bodies has generated a high level of excitement about Public Art in Florence.

Highlights

Here are highlights of the implementation plan for the following projects to date, each have corresponding images on later pages in the document:

1. **City Beautification Projects:** Implementation of the 'beautification of trash cans' project was coordinated with Public works and involved student participation. 15 cans were painted by students and placed in Old Town on Bay Street in May 2017.
2. **Donated Art Program:** Two donations of large sculptures were generously gifted to the city. These were placed in Gallagher Park in 2017. A third donation has been accepted and is being prepared for placement at the Senior Center.
3. **Siuslaw Bridge Steps Art Installation:** A "Call to Artists" was posted nationally with an entry deadline of January 15th. A selection committee is being formed and the final selection will be reviewed with ODOT prior to installation.
4. **'Art Exposed-Dynamic Public Art':** This outdoor gallery rental / purchase program will install sculptures in Old Town on Bay Street. "Calls to Artists" have gone out with a deadline for entries of February 25th. Depending on entries, up to 5 locations may be awarded.
5. **PUD Building Mural (Hwy 126 and 101):** Agreement is being finalized with the PUD board and details of preparation of the surface are in progress.

Other Activity

- To ensure continued public awareness of PAC activities, we worked with the Siuslaw News and will place a monthly update in the Community Voices section of the paper & participated in Florence Art Passport.
- Interest in Public Art is increasing in the community – purchase of outdoor art placed at the marina at Bridgeport Market.
- Assisted with Donation from City of Florence to the Siuslaw Pioneer Museum.
- Began cataloging current art owned by City and Privately, but publicly visible.
- Celebrated Arts & Humanities Month in October with City Proclamation.
- Coordinating with the Oregon Coast Visitors Association to produce a "Public Art Trail" - a map of public art locations in all 27 coastal Oregon cities.

Public Art Committee

Future Activity

PAC will be working closely with the City and other agencies on the “Revision Florence” project, where 15 locations for Public Art have been identified. This will become a priority for PAC, and we will work on timing, types of artwork, and funding.

FLORENCE PUBLIC ART

Art increases the livability, human interaction, and artistic richness of the city by making art a permanent part of the environment and a legacy for future generations. The City of Florence public art program, along with other arts, plays a strong role in community and helps stimulate economic vitality. The art initiative is a vital ingredient in the cultural fabric and streetscape of our creative city.

Florence's art collection is held in trust for the public. It seeks to engage people and capture the essence, diversity and personality of the City of Florence. The art collection complements the city's mission of enhancing the lives of its citizens. Some art displayed in Florence is publicly displayed, but privately owned.
