3. Nopal Street

4. Maple Street

5. Laurel Street

6. 1st Street

Location #1: Highway 126 Intersection

Northwest View

North View

This location is at the southeast corner of the intersection between Highway 126 and Highway 101. The eastern and northern entrance to the ReVision Corridor, this landscaped corner features a variety of native plants and is seen by millions of people every year as they stop in Florence or continue up and down the highways. The selected piece will be close to lodging and foot traffic in town and visible from Florence's "Stitching Time, Weaving Cultures" mural. Uniquely, the area is near several traffic control devices, including stop lights and directional signs, and seating. All these will be considered as art is reviewed.

Maximum Dimension Requirements:

- Height: No more than 12 feet tall
- Width: No more than 6 feet wide
- Art must include plan to mount the piece and secure the base (City of Florence will be constructing a plinth to best fit the selected art. See details in the Supplemental Materials document)

Location #2: 8th Street Corner

West View

North View

On the west side of Highway 101 is a landscaped area at the south corner of 8th Street. The City of Florence is looking to install an art bench at this location, which will be surrounded by native greenery and ADA-accessible sidewalks. This high-traffic area is near the post office, a financial institution, lodging, and local businesses. An artistic and functional art piece at this location will add a needed element of rest to this side of the highway. The bench shall be placed on a concrete slab installed by the City of Florence with a minimum thickness of 6 inches.

Maximum Dimension Requirements:

- Height: Seat height should be 17 inches minimum, 19 inches maximum; the overall piece should not exceed 6 feet in height
- Width: 30 inches minimum, 36 inches maximum
- Length: 6 feet maximum
- Art must include plan to mount the piece and secure the base. Anchorage to concrete shall be designed by Artist and shall utilize a minimum of two anchors per base plate and at least two anchor points per bench. Anchors shall be minimum ½" diameter stainless steel expansion anchors.

Location #3: Nopal Street

West View

North View

Nopal Street is one of the entrances into Historic Old Town Florence and the Port of Siuslaw's Boardwalk. The site is part of the Highway and Antiques Districts, with local shops, two restaurants, and a financial institution in the vicinity. This location features a paved plaza and seating area and one of the original large-scale plinths of the ReVision Corridor. The circular art base has an 8-foot diameter and is 18 inches high, with a slight sloped surface. Since ReVision began in 2017, the City of Florence and Urban Renewal Agency have planned to put art at this location.

Maximum Dimension Requirements:

- Height: No more than 15 feet tall
- Width: No more than 6 feet wide
- Art must include plan to mount the piece and secure the base (City of Florence recommends a steel plate that can be bolted to the existing plinth. See details in the Supplemental Materials document)

Location #4: Maple Street

East View

North View

At the entrance to Historic Old Town, the Maple Street location welcomes visitors driving, cycling, and walking. It is next to the Florence Area Chamber of Commerce and the Florence Visitors Center, where more than .5 million people stop each year, looking for things to do around the area. This location includes a lit plaza with a seating area, large concrete art base, and bike rack, along with the nearby Maple Street Gateway Monuments (these are 24'9"-high lit obelisks at the entrance to Old Town). The circular art base has an 8-foot diameter and is 18 inches high, with a slight sloped surface. The base is within sight of another Art Exposed piece and across the highway from Location #5.

Maximum Dimension Requirements:

- Height: No more than 15 feet tall
- Width: No more than 6 feet wide
- Art must include plan to mount the piece and secure the base (City of Florence recommends a steel plate that can be bolted to the existing plinth. See details in the Supplemental Materials document)

Location #5: Laurel Street

Northwest View

South View

The Laurel Street Plaza features a crescent-shaped art plinth and a seating area at the southern end of the ReVision Corridor. It abuts neighboring businesses and has a view of Florence City Hall, the Siuslaw River Bridge, and the Highway District, and is directly across the street from Art Exposed Location #4. This inviting area on the west side of Highway 101 is a confluence of neighborhoods and businesses and can inspire people to linger as they enjoy the native plants in the landscaping. People can transition into Florence by stopping at this site as they plan their next activities.

Maximum Dimension Requirements:

- Height: No more than 15 feet tall
- Width: No more than 6 feet wide
- Art must include plan to mount the piece and secure the base (City of Florence recommends a steel plate that can be bolted to the existing plinth. See details in the Supplemental Materials document)

Location #6: First Street

East View

North View

The southernmost location for the Art Exposed Expansion will be the first piece of art welcoming people into the City of Florence as they travel northbound from the Siuslaw River Bridge. This location off the sidewalk of Highway 101 features a sitting area and a view of the historic bridge and neighboring businesses in the Urban Renewal District. People beginning their journey through Florence will view this art piece as they head into Historic Old Town Florence, along Highway 101 to the commercial districts, and on to the many recreational, business, and cultural experiences that the area has to offer.

Maximum Dimension Requirements:

- Height: No more than 15 feet tall
- Width: No more than 3 feet wide
- Art must include plan to mount the piece and secure the base (City of Florence will be constructing a plinth to best fit the selected art. See details in the Supplemental Materials document)
