A City in Motion

**Application
City of Florence Adopt-A-Street Program**

The City of Florence’s Adopt-A-Street Program is part of an effort to make our roadways litter free. The program is voluntary and is a partnership designed for organizations, merchants and residents. Each volunteer adopting group assumes responsibility for an assigned section of road or street and agrees to remove litter and trash a minimum of four times per year for a two-year period. The City will work with the adopting group to select the specific section of street to be adopted. Some streets may not be considered due to safety concerns.
