Fund Balance

General Fund Balance

Last Five Years

SUMMARY

- The effects of COVID are still being monitored. It is unclear what those may be on all revenues, especially property taxes.
- The assessed values on property for fiscal year 2020-21 increased 4.54 percent over last year.
- Fund balance in the General Fund decreased \$1,057,500 during the quarter and is attributed to completion of the ReVision Florence project.

THANK YOU!
