

# ReVision Florence

OR126/US101: Spruce St - Siuslaw Riv Br (Florence) Sec.

*In conjunction with The City of Florence and the Florence Urban Renewal Agency (FURA)*

# Project Overview

# Background - Concept Design

**Sept 2015 to March 2016** - Consultant team prepared a design concepts and a master plan to reinvest in the corridor, improve safety and make it more inviting for pedestrian use.

Early concept design sketches

## Background - ODOT Coordination

---

- **ODOT is a critical partner!**
  - Funding
  - Own the highway right of way
  - Paving project along US101
  - Administering construction
- **Paving Project**
  - Unique opportunity to improve the full highway width
  - Coordinate design and timelines
  - Will occur immediately after the streetscape project
